

Anyone up for a visit to Joe O'Reilly in Tuam?

Posted by Punky1968 - 2010/10/17 21:08

Folks

I wonder if there would be any interest in a gang heading out to see Joe O'Reillys place near Tuam? Could be a chance for the Galway gang to meet up and anyone else who might like to see what Joe has in his collection of cars and parts.

Here is a link courtesy of Ozzy on a recent visit to see his 400+bhp MR2:

Let me know and I can arrange it with Joe.

I can call him and see when would suit. Thinking this Saturday or Sunday around 2pm if that works for Joe and everyone else who is interested. We could meet up in Tuam and then head out to Joe.

Just remembered that the October bank holiday is this weekend. Would folks still be on for Joe's place in Tuam say Saturday morning around 11am if I can get it organised?

I've just been speaking with Joe and he is currently free this Saturday morning October 23rd.

Suggested visit time would be around 11am. Who would be interested and able to make it?

I'm very sorry to inform you of this but Joe passed away some years ago. As I understand it his nephew took on the business. I do not have direct contact with him but maybe someone else on here will chime in with the details??
