

What parcel service is best/ cheapest?

Posted by doc84 - 2011/09/08 14:49

Hi guys! im sending a brake caliper back to Camskill and wondering what delivery service is cheapest or reliable?

An post want €33. UPS and Fedex want around the €100 mark. Any insights appreciated!

Depending on what time you have available the cheapest is via www.shiply.com

I have heard shiply mentioned a few times, on here actually.

Personally, I have had nothing but good experience with DPD.
