

## Driving Conditions

Posted by corkmr2 - 2013/03/27 09:23

---

I was planning on heading on the M50 tomorrow northwards but I'm just wondering now what the driving conditions are like? Hardly suitable for an MR2 by the sounds of it! :(

Its fine, just a bit slow, there was a car broken down on the inside lane where there was no hard shoulder which slowed things down this morning
