

Huge discount on Gibson Hotel !

Posted by Spidey - 2014/06/18 10:09

I won this voucher on a work Sports&Social night where there were various prizes.

Valid til end of Nov. It's a one night stay for two in the Gibson Hotel.

I just checked an upcoming Sat evening and the price was €164 euros per room. So, i am selling it for only 90 euros - 74 euros off cost price !!

Great deal if anyone is up for a concert and want to make a night of it and stay over.

Just checked and it's a Double Superior room incl Breakfast.

Also, it says that it is "not available on dates of high demand"
