

Bits for sale.

Posted by Mister Two - 2014/07/18 16:58

Hey folks,

First of all I have a prothane bushing kit for sale.

Its the same kit as listed below and it comes with 19mm sway bar bushings front and rear. The kit is about 80euro excluding postage. Il take 50euro. collection only. here is the link to the kit. Its in red.

Mats are in better condition than I remembered especially considering their age. Driver side could do with a bit of a clean is all.

also have two Barum Bravuris2 205/40 for sale.Maybe 100miles total driving, very good condition. Think they were 110euro each. 50euro takes the pair and the alloys come for free ;)
