Posted by Robbie ISDC - 2014/09/02 20:59

Hi lads,

Here to invite you guys again to our annual trackday. Here's a link to last year's thread:

<http://mr2.ie/mr2-forum/5-irish-events/60376-isdc-trackday-2013-october-11th>

The 2014 ISDC Trackday has been booked for the 10th of October

The standard cost for the day will be €145

Below is a shedule for the day:

8.30-9.00am - Arrive at mondello.

9.00-9.30am - Driver sign on.

9.30am - Driver's briefing.

10am - Track opens to novice drivers for 10 minutes to follow the safety car and get familiar with the track.

10.10am-1.00pm - Track opens to everyone, in an open pitlane format.

1.00pm-2.00pm - Track closes for lunch.

2pm-5.30pm - Track reopens in open pitlane format.

The Trackday will be held on the full international track. All drivers must produce a valid full drivers licence and have a helmet for driver and any passengers.

As with every year during our Trackday, absolutely no messing will be tolerated, and Mondello will be asked to black flag anyone they deem to be driving inappropriately. Repeat offenders will be asked to leave and no refunds will be issued.

Extra drivers - €40

Extra cars - Free

Passengers/Spectators - Free

All payments can be made through the club shop via Paypal here <http://www.isdc.ie/trackday2014.html>

We need people to start paying in full ASAP in order to make sure the day goes ahead.

Hope you guys can make it B)

Hi lads. I am fresh owner and new to the forum.
I plan to go for the truck day. Will confirm when payment done.

Just quick question. Any idea when can I buy helmet over Ireland? Or simply ebay?
Thanks

Is it safe to drive there with daily driving MR2?
Helmets? where to get them from and not to pay too much?:P)

What are the real costs? 40 + 145/number of drivers?

So if we find more people interested to go that it will cost cheaper?

Cost per person when number of drivers like to attend?

1. EUR 185
2. EUR 112.5
3. EUR 88
4. EUR 76
5. EUR 69
6. EUR 64

There is one entry price, it is €145 per driver.

This day is normally full quickly and is being arranged by another club. I have been to the last three of them and they were great fun.

You must have a full driving licence and helmet with you on the day or no drive or refund.

Good man Ray B)

Luksander, the price is €145 for 1 car + 1 driver. If you want to share your car, then it is €40 extra per person.

If they are bringing their own car, then it will be €145 for them

I am excited for tomorrow, but also :(I have paid for myself and another driver. The another driver half owns the car but he is not available tomorrow.

So who wants a track day on the cheap, cover half the petrol and the additional driver fee and all is good in the hood. All damages would need to be split in half should they occur, and if your a headcase in our car I reserve the right to give the fuck out, and maybe even tell you your not driving for the rest of the day only passenger CAPISCE

€90.00 and its a fun day.

I would love to have gone to this one, but we were in Kirkistown at the weekend, and it would be to much to them both especially as we need two new tyres for the front, put up plenty of videos and pictures.
