

steering rack

Posted by bluetubby123 - 2014/09/29 12:02

as above would anyone have a steering rack for a 96 ,mine starting to rattle :angry:

=====

I have one on the track car I am breaking if you want it. But it will need to be part exchange as I still need to steer the carcass around.

How does €75.00 sound to you.
