I have my rev 3 na for sale in turquoise. With rota alloys and brand new tyres worth 120 a corner. I need of a little tlc as the drivers rear arch has a little rust but sill is fine still...is my daily currently so hasn't let me down.

Looking for around €1000 also on uk plates

Pm if interested and I'll send photos

Just Incase anyone is unsure of me I'll give you a bit of my background as I normally lurk on imoc.

I currently have 3 mr2's:

One in turquoise that's a na mk2 1993 as my daily

Mk1 1600 na that's my project (putting a 4agte in atm) 1988 mica blue

And my pride and joy a 1999 cosmos blue mk2 that I bought recently that is as good as new
