

Toyota Mr2 Thermostat genuine part + Sard Rad Cap

Posted by Smokin Joe Frazier - 2017/07/09 20:14

Condition: New

Toyota Mr2 thermostat, for a 3S-GTE Turbo engine model. Jap Import model but probably same part in them all.

Genuine Toyota unused thermostat. Surplus to requirements,

Also Sard rad cap in good used condition.

€35 for both items

How do i attach a picture using the forum feature? I used use photobucket and copy the link but photobucket doesn't allow that now
