

Hardtop for sale - 500 ono

Posted by Matt.K - 2018/09/04 16:28

Grey MR2 hardtop with fittings on a 2005. Top is in very good condition with a few minor scratches from previous owner. My MR2 is for the scrapyard because underneath is all rusted out but the body and the top are in great condition. If you want to tow the whole thing away or just take the hardtop, the price is the same. Thanks. http://www.mr2.ie/images/fbfiles/images/MR2_001.jpg
