

Web site for MR2 SW20 enthusiasts

Posted by Marty J - 2022/06/09 16:48

Today I stumbled across this website about the MR2 SW20. I'm not sure if this has already been posted.

<https://jccc.web.fc2.com/japanese/toyota/mr2-sw20-199904/index-en.html>

Although a lot of it is in Japanese, I'm sure that some of you will still find it interesting.

It looks like the links at the bottom of the page aren't working.
