

Few bits for sale

Posted by Dexmr2 - 2014/03/31 23:42

In the middle of restoring an mr2 I built 10years ago. I sold it 7years ago and bought it back a few months back. Bought a doner mr2 and have a few bits surplus.
All parts from 90 & 92 MK2 Rev 1&2 Turbo's.

Stainless Exhaust single conversion. €150

Mk2 Rev1 turbo gearbox with welded diff. €150

Mirrors. €20

Clutch & pressure plate. €80

Exhaust manifold (non turbo). €40

A/c evaporator. €30

A/c amplifier. €20

A/c compressor. €30

Catalytic converter pipe. €40

New water pump 3S GTE. €70

I'd take the mirrors and 20 nuts if you have them!

I don't know if I like the mirrors from the pics but I'll paint em black and lash em on!
