

For sale shells

Posted by Danmr2 - 2015/12/01 10:00

Hi I'm looking for cheap alloys and a full suspension to replace my own,
And if any one has a 90/91/92/93 shel/car please get in contact,

=====

Re: Wanted 90/93 shell, any full suspension and alloys

did you get a shell,as i no where there is one in a scrapyard down here in waterford,interior ,lights gone,but was a complete shell with engine,wheels,suspension,brakes all still on car,its just been left out in rain,so would say he would take a very low offer if it was trailered away.contact me if you want his number.
